

SOLUTIONS FOR CISCO UNIFIED COMMUNICATIONS

Plantronics broad portfolio of UC audio solutions enhances Cisco Unified Communications to give today's enterprise workers a more effective way to collaborate. As a Cisco Developer Network (CDN) Solution provider, Plantronics delivers Cisco tested and certified Cisco Compatible headsets that encompass the full Cisco Unified Communications applications portfolio:

- Cisco IP Communicator (CIPC)
- Cisco Unified Personal Communicator (CUPC)
- Cisco Integration for Microsoft Office Communicator (CUCI-MOC)

The sound quality, reliability and comfort of Plantronics UC headsets, coupled with the Plantronics global reach and world-class service and support, assure enterprises a smooth and successful UC deployment.
