

Works with all Plantronics  
audio processors and USB-  
to-headset adapters

Background noise is eliminated so  
your customer can hear you clearly

**plantronics®**

# The Headset That Transforms to Suit You

**DuoPro®** Headset

The H171N DuoPro noise-canceling headset provides longwear stability and unsurpassed comfort and flexibility.

# DuoPro®

Versatility is the hallmark of the innovative DuoPro line, with its best-in-class audio performance, all-day wearing comfort, and a choice of a wearing styles.

## DUOPRO KEY FEATURES

- Plantronics compatibility. DuoPro works with all Plantronics audio processors and USB-to-headset adapters. Direct-connect solutions are also available for headset-ready phones and agent consoles.

- Advanced ergonomic design provides superior balance, fit and comfort. Choose a wearing style:

Over-the-head style — Unique double T-pad headband distributes weight evenly. There's never a speaker pad pressing on your ear.

Over-the-ear style — Earloop can be molded for a secure, comfortable fit.

Behind-the-head style — Optional neckband is only available as an accessory, sold separately.

- Supports Clearline™ audio technology. Ensures precise listening levels, sophisticated hearing protection, and superior audio performance when used with Plantronics audio processors.

- Quick Disconnect™ lets you walk away from your phone while still wearing your headset.

- Available with Voice Tube or noise-canceling microphone:

Voice Tube — Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.

Noise-canceling — Filters out background sounds for heightened speech clarity.

- Warranty: Two years for unsurpassed durability.

Headset quickly converts from over-the-head to over-the-ear wearing style.

## TECHNICAL ASSISTANCE CENTER

Backed by Plantronics industry-leading global service and support.

800-544-4660 (US and Canada)  
831-458-7700 (outside US)

DuoPro headsets require a Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone, PC or computer.

## VISTA® M22 AUDIO PROCESSOR

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline™ audio to improve call quality in any environment, especially wideband VoIP.

## DA45™ USB AUDIO PROCESSOR

Compatible with all Plantronics H-series headsets, this headset-to-USB adapter/audio processor brings superior call clarity to PC-based communications. The DA45 USB provides advanced audio technologies, plug-and-play connectivity, and Quick Disconnect.
