

Smart power-saving mode

Stream music and media

Whispered status alerts

plantronics

More talk + tunes, less charging

M25™

The Plantronics M25 Bluetooth® headset features DeepSleep™ power-saving mode to stay charged for up to five months, so it's ready when you want it.

M25™

More talk + tunes, less charging. The Plantronics® M25™ Bluetooth® headset features DeepSleep™ mode, which can extend the standard 16 days standby time up to 5 months, so it's ready when you want it. Noise and wind reduction means your voice is heard on calls and not the disruptive background noises. You can listen to music, internet radio, or GPS and never miss a call. While whispered alerts keep you informed about battery level, Bluetooth connection, and more. And no matter how long the call, the super soft ear tip will keep you comfortable.

KEY FEATURES

- DeepSleep™ mode extends battery life for up to five months
- Stream music, podcasts, Internet radio, GPS directions and more
- Voice alerts whisper talk time, battery level, and more
- Reduces noise, wind, and echo from calls
- Enhances clarity on wideband-enabled smartphones
- Fits comfortably in either ear with a super soft ear tip/gel
- MyHeadset™ app helps you get paired quickly, provides an animated user guide and much more
- Headset battery meter automatically shows onscreen for iPhone (and iPad)
- Headset battery meter for Android™ devices (4.0 phones and 3.0/4.0 tablets) available via MyHeadset app
