BLACKWIRE 215 (MONAURAL)

THE SOUND OF SIMPLE COMMUNICATION

Give your team the tools for successful communications with Plantronics Blackwire 215/225. These affordable, easy-to-use headsets use 3.5 mm cables for versatility across multiple devices, so your team can collaborate from anywhere. With signature audio quality from Plantronics, you can elevate your team's performance without breaking your budget.

SIMPLIFIED CONNECTIVITY

- Easily manage mobile and tablet calls with inline controls to answer/end calls, control volume and mute
- Take PC calls using simple and easy-to-use 3.5 mm plug-and-play connectivity with convenient mute and volume controls
- Simple and intuitive controls with visual indicator for mute status while volume controls are at your fingertips

OUTSTANDING QUALITY

- Noise-cancelling microphone filters out background sound while hi-fi stereo (C225) delivers clear audio to make every call sound professional and confident
- Soft, foam ear cushions fold flat for storage and easily pack away at the end of the day
