

Smart power-saving mode

Stream music and media

Whispered status alerts

plantronics

More talk + tunes, less charging

M25™

The Plantronics M25 Bluetooth® headset features the DeepSleep® power-saving mode to stay charged for up to five months, so it's ready when you want it.

M25

Now you can talk, play, and hear more. Listen to music, Internet radio, or driving directions and never miss a call. Plantronics DeepSleep power-saving mode activates when your M25 is away from your phone for over 90 minutes. When it's back in range (33 feet or less), you can just tap the Call button to "wake" it up. Using the DeepSleep mode can extend the battery readiness up to 150 days.

MAKES CALLS WORRY-FREE

- Hear music, driving directions, and more from your phone
- Voice alerts whisper talk time, battery level, and more
- Reduces noise, wind, and echo from calls
- Fits comfortably in either ear
