MULTIMEDIA  
STEREO PC HEADSET

**PLANTRONICS**  
World Leader in Communications Headsets

PRELIMINARY PRODUCT INFORMATION

## The Best Multimedia Headset Available For Your PC.

Great for on-line chat, speech recognition, multiplayer games, and music, the Plantronics .Audio™ 90 analog PC headset offers top-of-the-line stereo sound and voice transmission in a light-weight, comfortable design.

Equipped with a noise-canceling microphone, inline volume and mute controls, and soft ear cushions, the Plantronics .Audio 90 PC headset gives you the best stereo sound available, complete with maximum bass. The QuickAdjust™ telescoping microphone ensures perfect placement for speech recognition—unique from Plantronics.

The .Audio 90 stereo PC headset is ergonomically designed with soft, swivel-mounted ear cushions for all-day comfort. Its durable construction means you can use it every day without worry. And the .Audio 90 PC headset is compatible with most popular PC sound cards, so you can just plug it in and play.

The Plantronics .Audio 90 stereo PC headset. For sound quality that's right on the dot.
