

How to adjust the chat mixer settings your Xbox.

FOLLOW THE NEXT STEPS TO ADJUST THE CHAT MIXER SETTINGS ON YOUR XBOX CONSOLE.

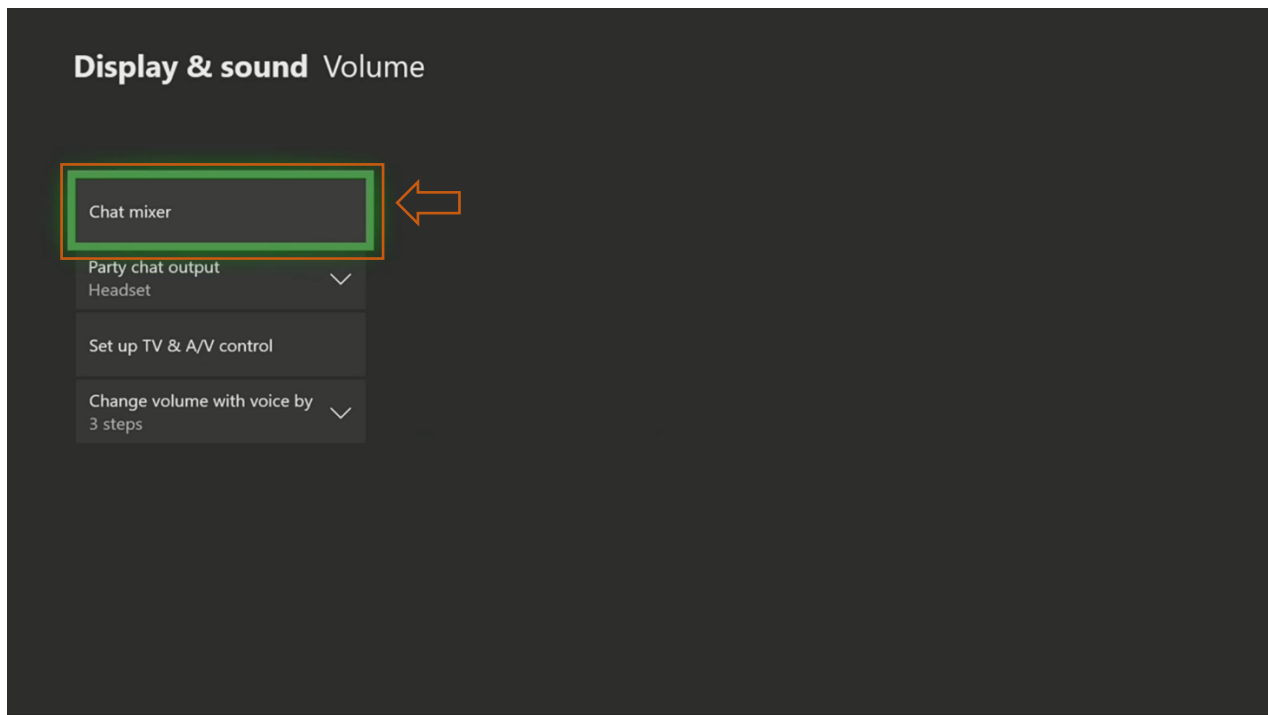

1. On the home screen go **Settings**.

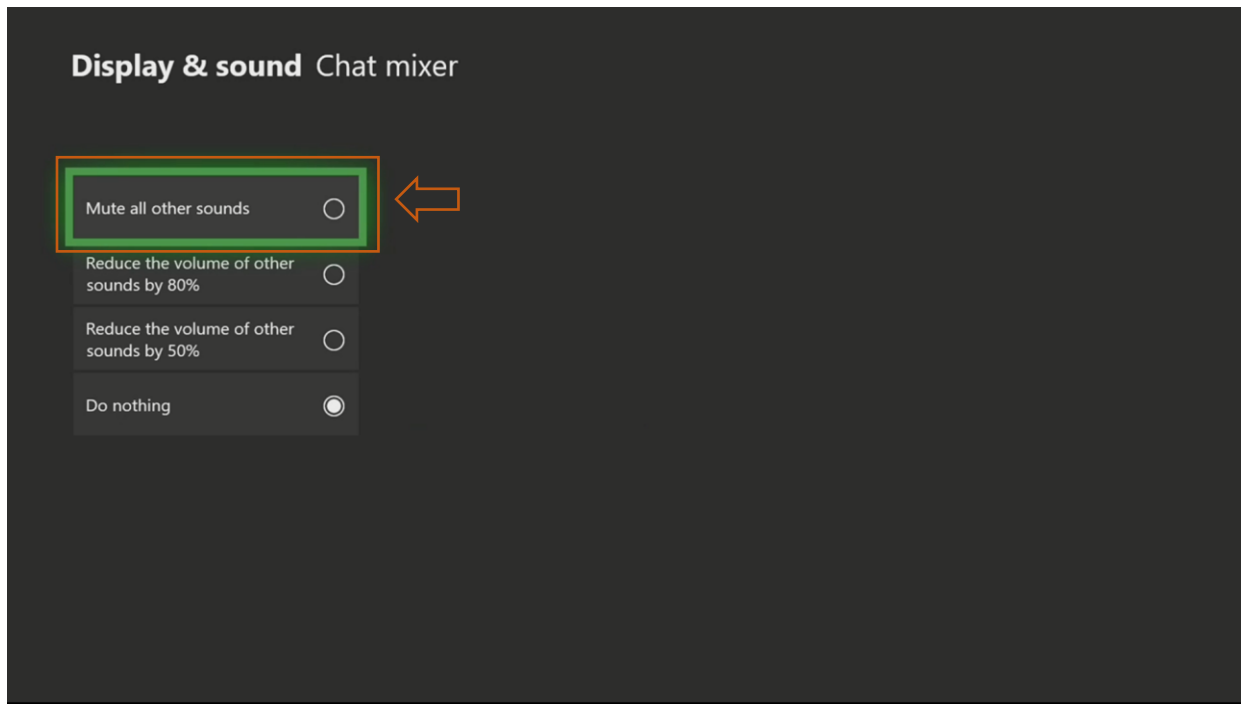

2. Go to **Display & sound** then select **Volume**.

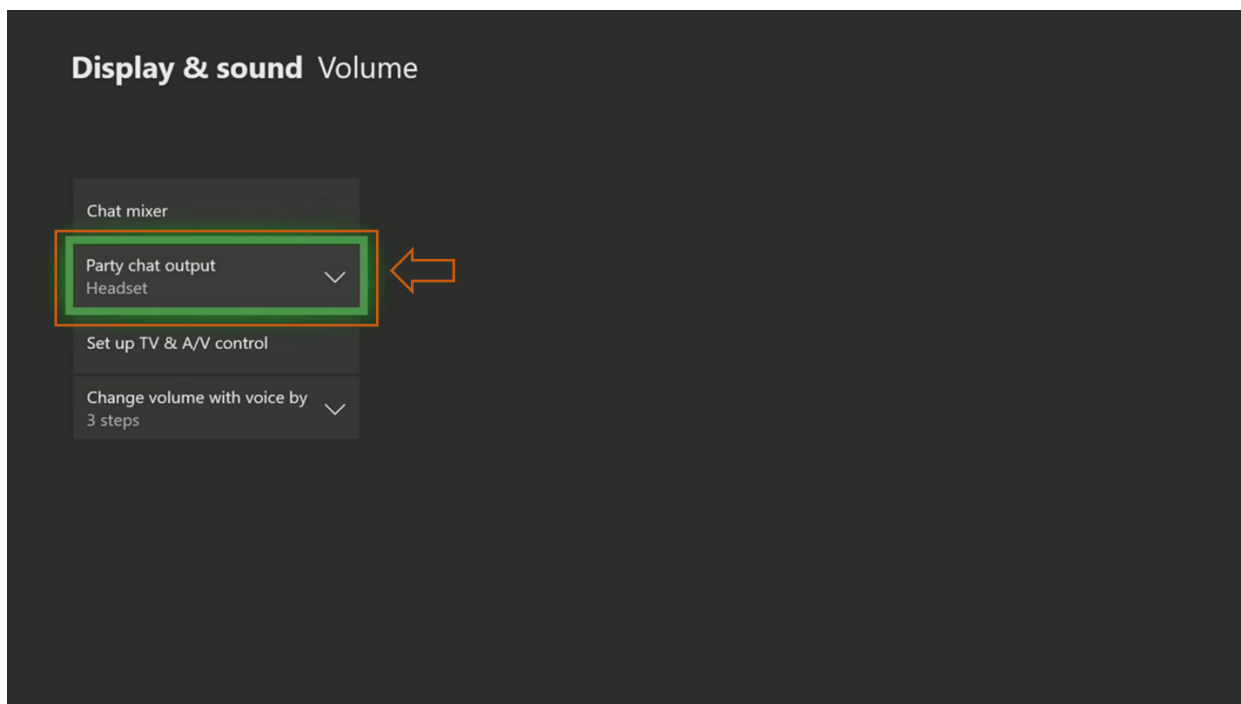

3. Choose the option **Chat Mixer**, then select the desired setting.

- Go back to the **Volume** menu and select **Party chat output**.

5. Select **Headset** to complete the set up.
