

# Dolby Atmos installation on Xbox One.

FOLLOW THE NEXT STEPS TO INSTALL DOLBY ATMOS ON YOUR XBOX ONE.

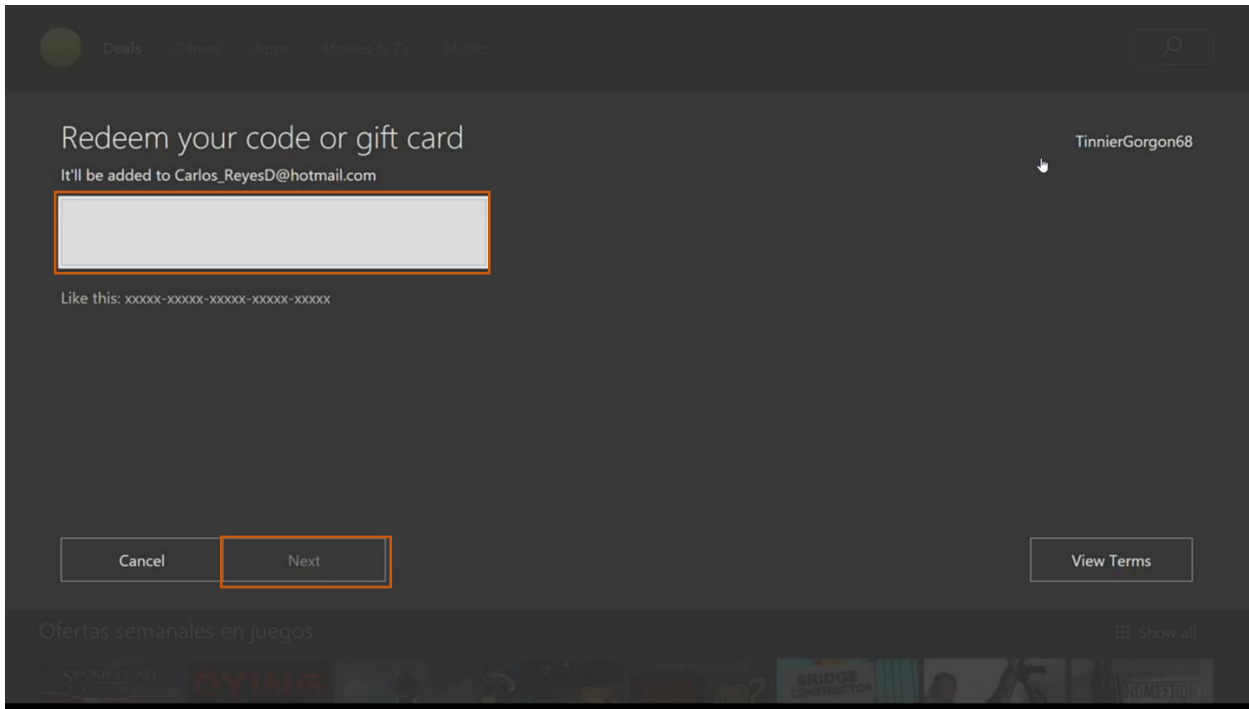

1. On the main menu go to **Store**.

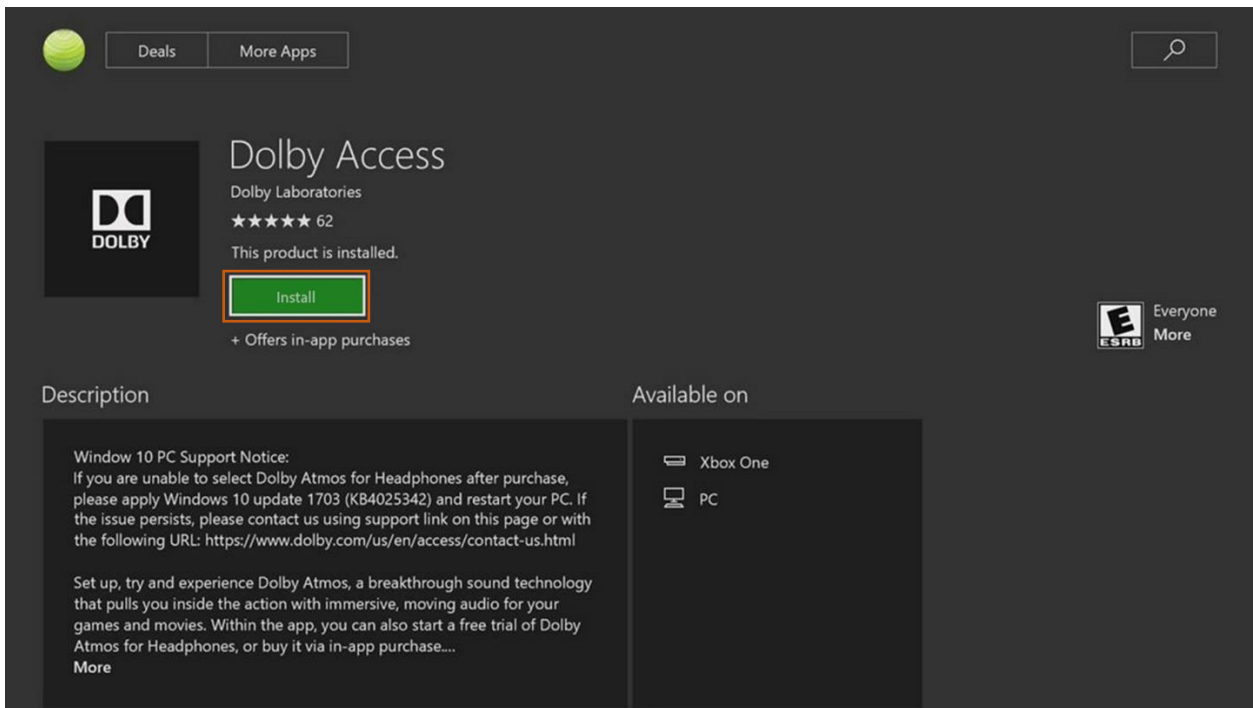

2. Once you are in the **Store** menu, please select **Use a code**.

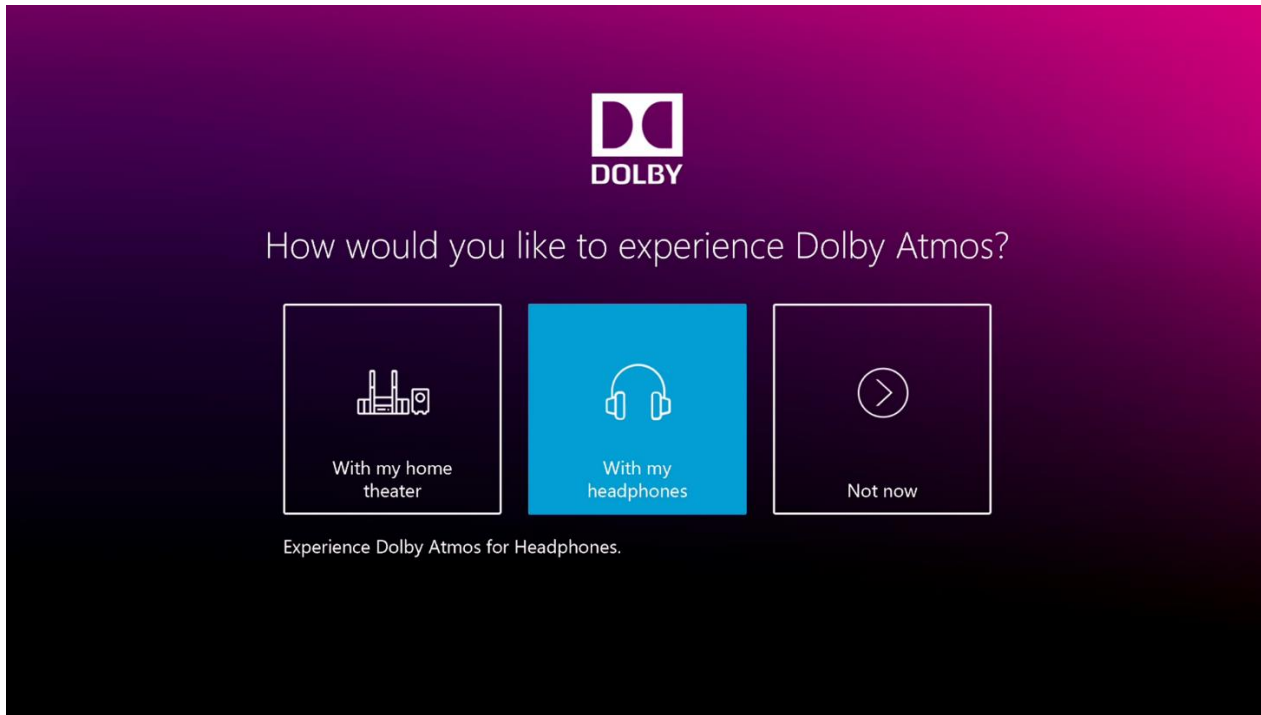

3. Enter the Dolby Atmos code that came with your RIG headset.

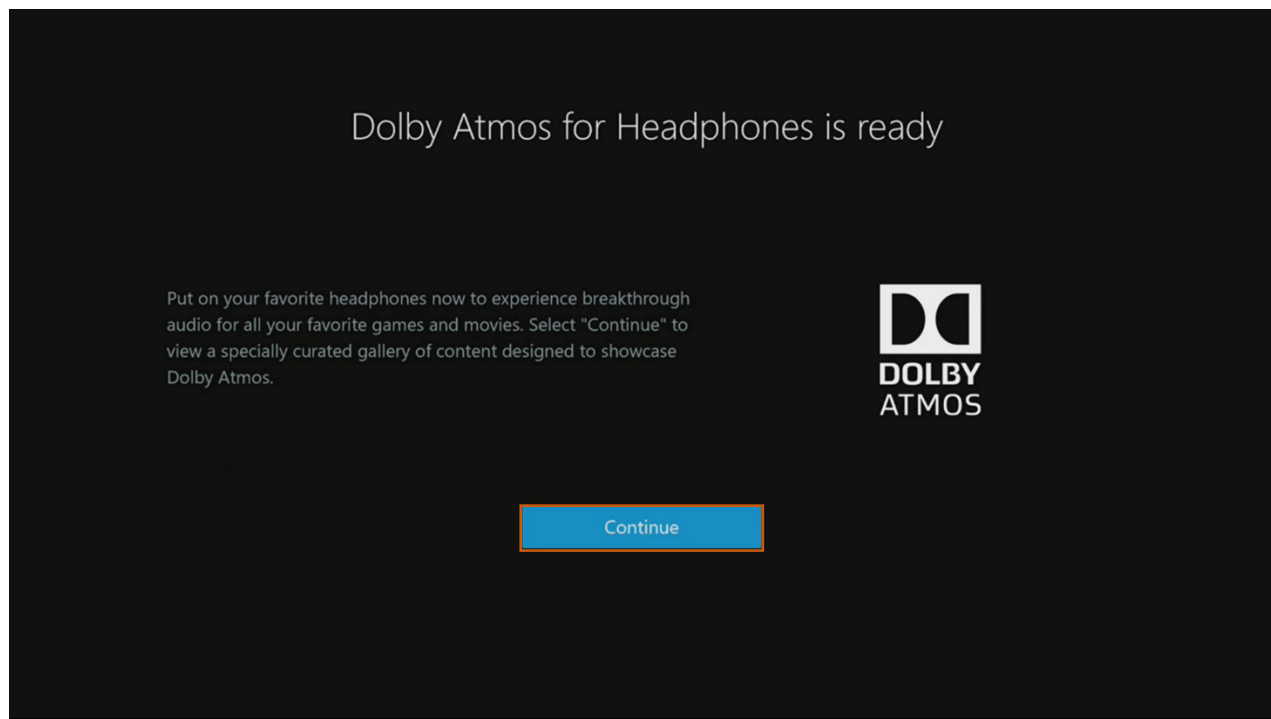

4. Once you redeem your code please install Dolby Access.

5. Please choose **With my headphones** when asked for the type of experience for Dolby Atmos.

6. The screen will display a message when it's ready to use, please click **Continue**.

7. To finish the setup, a testing screen will appear on the Dolby App.
